

## Why Now?

### 1. Is there a Recession?

Not for Shaklee. 10 quarters of positive growth. Shaklee is now 100% Debt Free (self-funded)

### 2. Concerned with Health Care Reforms?

Stay Healthy, Feel Younger and Live Longer. Based on the Landmark Study if every person in the US was on our daily Vitalizer pack we would save 1 trillion \$ in health care costs.

### 3. Are your Taxes going up?

Avoid overpaying with a home based business. Good Morning America recommends Shaklee as one of the top 5 home businesses.

### 4. How's your Retirement Portfolio?

Build a secure future in 5 years with Shaklee.

### 5. Concerned about Job Security and lay-off?

Be prepared with a Shaklee Plan B.

**Do you believe these are growth industries?**

**Shaklee is at the center of ALL!**
